Help us be environmentally friendly, we are not using disposable serving dishes or cups. Please return your crockery to the trolley so it can be washed up & re-used.

If you have a hot drink flask or water bottle, we will re-fill this rather than give you a mug or glass.

If you have an allergy, please check with the galley before consuming any of the food offers, we have a full list of ingredients for each dish.

Cash or card payments. You may open a tab but need to provide contact info & settle before departure on Sunday.

York University Sailing & Windsurfing Club is providing the catering this weekend. All proceeds will go towards the purchase of their new fleet of Fireflies which they use for team-racing and teaching their new members to sail. YUSWC and NEYYSA have collaborated on a number of events recently which have benefited the NEYYSA youth sailors.
