

Sailing Instructions

Angel of the North 2025

1. Rules

1. Racing will be governed by the rules as defined in the Racing Rules of Sailing (RRS) including Appendix D, Team Racing Rules.
2. Addenda A, B and C to these sailing instructions (SIs) always apply. Other addenda apply only when so stated. The letters D and I are not used to identify addenda.
3. The right of appeal is denied in accordance with RRS 70.5(a).
4. When boats are provided by the Organising Authority
 - a) the boats shall be deemed to conform to their class rules;
 - b) when class rules change RRS 42, such changes shall not apply;
 - c) the race committee will allocate the boats to be used in each race; this allocation shall not be cause for redress and amends RRS 62.1.

2. Eligibility

1. To become eligible a team shall register as required by the notice of race or, if not specified, on arrival at the event. The team shall provide any required damage deposit before going afloat for the first time.
2. After registration, no team member may be changed without the prior permission of the race committee which will be given only in exceptional circumstances.

3. Event Format and Schedule of Races

1. The intended format of the event is described in SI Addendum B. The format may be modified during the event in a fair and practical way as solely determined by the race committee taking into account the entries, weather conditions, time constraints and any other relevant factors.
2. The initial schedule of races will be displayed on the official notice board. Any changes thereto and schedules for subsequent races will be displayed not less than 10 minutes before the start of those races.
3. Every race will be assigned a race number in the race schedule.
4. The number of the next race to start will be displayed on the committee boat no later than the warning signal (or promptly thereafter if co-incident with the previous start) until the starting signal. The race committee may at any time postpone a race and reschedule it at a later time.
5. When a completed race has been abandoned and the result would not affect which teams qualify for a further stage, the race committee may cancel the race and score each team half a race win.

4. Protests, Requests for Redress and Penalties

1. Protests and requests for redress that have not been decided afloat shall be notified to the race office within 10 minutes after the relevant incident or, if the incident is afloat, within 10 minutes after coming ashore.
2. When the outcome of a protest or request for redress would not affect which teams qualify to a later stage, the protest committee may refuse to hear it. This amends RRS 63.1.
3. When RRS D2 applies and the race umpires together with one other umpire (when available) decide that a boat has broken RRS 14 and there is damage or injury, they may penalise her team by half a race win without a hearing. The boat will be informed as soon as practical and may request a hearing. Any penalty after a hearing will be in accordance with RRS D3.1(d). This amends RRS 63.1.
4. When the race committee decides that a boat has broken SI A4.3, Time Limit for Starting, or has failed to sail the course and broken RRS 28.2, it shall penalise her 6 points without a hearing. This amends RRS A5.
5. When the race committee decides that a competitor has broken SI A1.5, personal flotation device, or SI A1.6, wet or dry suits, it shall penalise the competitor's team one race win without a hearing. This amends RRS A5.
6. When the protest committee decides that a breach of a rule, other than a rule of RRS Part 2, has had no effect on the outcome of a race, it may make any arrangement it decides is equitable, which may be to impose no penalty. This amends RRS 64.1 and D3.1.

5. Risk Statement, Insurance

1. Rule 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."
Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
 - a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
 - e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
 - f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances; and
 - g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
2. When the boats are provided by the competitors, the boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least three million pounds (£3,000,000), unless a different sum is specified in the notice of race.

Addendum E - Round Robins in Groups

- E1 In the first stage of an event, the teams may be assigned to a single group, seeded to groups based on past performance or assigned randomly. In subsequent round-robin stages the highest placed teams will be assigned to one group, the next highest placed teams to another group, and so on.
- E2 The stage shall be scored in accordance with RRS D4.3 and D4.4.

Addendum F - Random Pairs

- F1 In this stage boats are scored individually while competing as part of a team.
- F2 In each race of this stage boats will be randomly assigned to race in a team with another boat against another team of randomly allocated boats.
- F3 During this stage, the following rules will apply:
 - F3.1 Each boat in the winning team of each race shall be scored one race win. Each boat in the losing team shall be scored zero race wins.
 - F3.2 Boats shall be ranked in order of number of race wins, highest number first. If the boats have not completed an equal number of races, they shall be ranked in order of the percentage of races won
 - F3.3 Ties will be broken using RRS D4.4 with D4.4(a) amended as follows (changes in **bold**)
 - (a) If the tied boats have all sailed each other at least once in the stage, the tie shall be broken in the order below.
 - (1) Percentage of races won in all races between the tied **boats**, highest first;
 - (2) Average **team** points per race in all races between the tied **boats**, lowest first;
 - (3) If two **boats** remain tied, the winner of the last race between them;
 - (4) Average points per race in all races against common **teams of** opponents, lowest first;
 - (5) A sail-off if possible, otherwise a game of chance.

Addendum G - Swiss League

- G1 This stage will be a computer-generated Swiss League.
- G2 A draw will determine the first round.
- G3 The second round will be using the order of the original draw, the first winner against the second winner and so on, except the first loser will sail the last loser or the last winner.
- G4 Rounds will then be scheduled at the conclusion of a round for the next round but one by ordering the teams, using the tie-breakers below, and then matching them as far as possible in order of their places (the first team will sail the second team and so on), except that teams will not be matched if they have met within the number of rounds given above.
- G5 If the final round cannot be completed, its results will be ignored.
- G6 Races that cannot be sailed in order, or for which results are not entered or complete, will be ignored for scheduling purposes. Subsequently corrected or altered results will not affect a published schedule.

- G7 A drop-out is a team unlikely, in the opinion of the race committee, to take any further part in the event. The decision to designate a team as a drop-out will be posted, after which its races will continue to be scheduled but will not be sailed and opponents will score a win. Drop-outs will be scheduled from the first unscheduled round after dropping out, first against each other and then, where possible, against the lowest-placed team it has not met. Drop-outs may re-join the event at the discretion of the race committee whose decision will be final.
- G8 Any other missing team is a no-show and the opposing team will be given a walk-over after at least one of its boats has started and sailed for two minutes.
- G9 Resails will be sailed at the end of the next available round. The race committee will allocate the resails within a slot and they will not necessarily be in the same boats as the original race.
- G10 Half-win penalties will be applied after the end of the round and before tie-breakers are applied.

Rules for Breaking Ties

- G11 RRS D4.4 is changed to
- Ties will be broken, in order of precedence, in favour of the team(s) that has
- (a) if the tie is between two teams only, won the last race between them.
 - (b) sailed more races against teams that have a higher place.
 - (c) sailed fewer races against teams that have a lower place.
 - (d) the lowest sum of the places of the teams the tied teams have beaten.
 - (e) the lowest sum of the places of the teams to which the tied teams have lost.
 - (f) beaten the highest-placed team the tied teams have individually beaten.
 - (g) not been beaten by the lowest-placed team to which the tied teams have individually lost.

Step (a) will be applied whenever a step leaves a tie between two teams. Steps (b) to (g) will be repeated until no more ties can be broken. Any remaining ties will then be broken:

- (h) by the draw for the first round; ties in odd-numbered rounds will use the draw, ties in even-numbered rounds will use the draw inverted.

Addendum H - HLS League

- H1 Teams for each race will be selected randomly. A team will not sail any other team more than once in a stage.

Rules for this stage

- H2 If the full round robin has been completed, teams will be ranked on the basis of RRS D4.3(a) and ties broken using RRS D4.4. RRS D4.3(b) does not apply.
- H3 If the full round robin has not been completed, teams will be ranked in order of their percentages of races won. Any ties shall be broken in accordance with the following rules and RRS D4.4 is changed accordingly. Ties shall be broken in the following order in favour of:
- If all tied teams have met, the number of races won when the tied teams met.

If all tied teams have met, the points scored when the tied teams met.

The sum of points scored in all races divided by the number of races sailed.

For each tied team, the sum of the percentages of races won by the teams they beat, calculated as H3 above, divided by the number of races they won.

For each tied team, the sum of the average points per race for the teams they beat, divided by the number of races they won.

A sail-off if possible, otherwise a game of chance.

- H4 In H3(b), H3(c) and H3(e) the team with the lowest number shall be ranked first; in all other cases the team with the highest number shall be ranked first.
- H5 If a tie is partially resolved by one of the above, then the remaining ties shall be broken by starting again at H3(a).
- H6 For the purposes of H3(c), if a team is penalized a race win, or part thereof, the penalty is changed to include 6 points added to the team's overall score (or 6 points pro-rated e.g. half a race win is 3 points).

Addendum J - Special Event Format

If required, this addendum is to be provided by the race committee. See also SI Addendum B.

Addendum K - When Boats are supplied by the Organizing Authority

K1 Equalisation and Allocation

The organizing authority and race committee will take all reasonable steps to equalise the boats.

The race committee will allocate the boats to be used in each race.
