

DAMAGE TARIFF

for Guidance only

ALL damage will be assessed by the damage officer and agreed with the team(s)

The following is a very approximate guide to the charge(s) that may be levied for damage. The race committee reserves the right to alter these without notice and assess each incident on an individual basis.

The charge may be deducted from the damage deposit, and the race committee may require a team to replenish its deposit before being permitted to continue racing.

Small non-puncturing damage to hull	£100
Large non-puncturing damage to hull	£120+
Small hole through hull	£120
Large hole through hull/stem damage	£250+
Damage that may be structural	£500+
Small amount of sail damage	£75
Large amount sail damage	£150

Note:

A minor puncture, with no wider damage to the surrounding area is going to cost £120 to fix. An area of damage from a minor puncture can however spread easily to an area the size of an A4 sheet or more which can quickly move it to £500+
