

NSSA DOUBLE HANDED TEAM RACING CHAMPIONSHIPS. YORKSHIRE DALES SAILING CLUB. MOTORHOME & TENT LOCATIONS
21 & 22 March 2026

- Motorhomes to park up from the far end of the car park (start in space 1, 2, 3 please.)
- Please park motorhomes/campers nose / rear on to the grass to maximise use of space. Vehicles in spaces 2, 6 & 9 to park nose/rear on to the tent area.
- The main stretch of grass needs to be left clear for club operations on Saturday & Sunday.
- We acknowledge that you may have to wait for another vehicle to move on Sunday before you can leave but we have a limited amount of space and need to maximise use of it. We also need to leave space for the event to operate over the weekend, including the club's planned activities.
- Quiet time on site is 2200hrs – 0700 hrs. There is no chemical toilet disposal on site, please do not empty chemical toilets into the club sewage system.
- No open fires. BBQs are permitted on the hard standing only.
- The main club gate will be unlocked all weekend, if it is closed when you use it, please close it behind you. The changing rooms will be open overnight.

Thank you for your co-operation. **NEYRSA & Yorkshire Dales Sailing Club**
