### Change to Sailing Instructions No. 1

For 2026, we are delighted to be partnering with kSail to manage scheduling and scoring. Many of you will already be familiar with the platform and the benefits it offers, including convenient access to the Official Notice Board (ONB), race schedules, and results directly from your mobile devices.

The transition to kSail has required minor updates to the Sailing Instructions:

- (i) to reflect the new location of the Official Notice Board; and
- (ii) to align with the way the kSail platform manages the Swiss League format, compared to our previous round-robin system; in summary Appendix 1 has been replaced by Appendix G.

You can access the Wilson Trophy event page and ONB here:

<https://events.ksail.co.uk/2026/WilsonTrophy/>

To avoid confusion we have removed the previous Sailing Instructions, and the new version is published on the ONB, alongside the Notice of Race (NOR).

If anyone has any questions, or would like to see the previous version, please let me know.

Thank you.
